Parental Involvement Plan
Long Creek Elementary**

It shall be the policy of the Federal Program at Long Creek Elementary:

- The school shall notify all parents during an annual meeting each school year that they qualify for a School-wide Title I program.

- The school shall involve parents in planning, development, and implementation of the program throughout the year by providing a flexible schedule of meetings.

- The school shall inform each child's parent(s), in a timely manner, of specific skill weaknesses as indicated on academic assessments, and if requested, parents will have the opportunity to formulate suggestions and participate in decisions relating to the education of their child(ren).

- The school shall offer parents the opportunity to make suggestions, comments, or concerns to the LEA if the school-wide plan is not satisfactory to the parents through surveys.

- The school shall provide training, materials, and suggestions to parents to help them promote the education of their child(ren) at home when requested. Parent-Student-Teacher compacts, developed with and reviewed by the parents annually, will be sent home at the beginning of each school year to promote a positive Parent-Student-Teacher/Administrator relationship.

- The school shall promote parent-teacher communication, on an on-going basis and encourage parent-teacher conferences as the need arises. Parents are also encouraged to attend and participate in school-wide functions or events (Carnivals, Thanksgiving Dinner, Coronation, Awards Day, etc.).

- The school shall provide opportunities for the participation of parents with limited English proficiency, parents with disabilities, parents of children with disabilities, and parents of migratory children.
