Teacher of the week

Coach Smith's favorite part about teaching drivers ed is seeing students grow and learn when they are being put in a challenging situation. He graduated from West Oktibbeha County High School in Maben, MS. He then got his Master's degree from MSU. The best advice that he gives his athletes is "Embrace the process, stay committed to your goals, and remember that success is built one disciplined step at a time."

JV Girls Basketball

"I'm extremely excited to work with the amazing girls on the basketball team. I couldn't be more happy to have a family when I'm on the court. I've tried to prepare myself for the season by working out and practicing my skills. The person that inspires me to do good is my mom. My mom is my rock and every day she tells me how proud she is of me even if I don't want to believe it. The thing that keeps me inspired is my ADHD. Giving me the energy to and passion to continue doing what I love."
